ALAMEDA HAS LIGHT
PASSENGER LIST

Kamaaina who set their watches by the Alameda got a shock this morning when the little old Oceanic liner failed to round Diamond Head at her usual time.

Two hours later the Alameda showed up, docking at the Oceanic wharf shortly after 9:30 o'clock. Her delay was due to rough weather. Just after leaving San Francisco the steamer ran into south and southwesterly gales, lasting for two days. The vessel slowed down during the heavy weather, but in spite of this made port only two hours late, coming down in 5 days 10 hours.

In fact, the Alameda "did things" on this round trip. She left this port nine hours behind the O. & O. liner Coptic, arrived in San Francisco and got her mail to the postoffice 35 minutes ahead of the larger boat. Naturally the officers and men of the Alameda are immensely pleased with the steamer's good record. Both mail and passengers were put on shore before those from the Coptic.

The Alameda carries 15 cabin and 4 steerage passengers. Among the former is Dr. J. D. C. Holt, a prominent physician of Peoria, Ill., who will tour the islands. He is accompanied by his wife. There is an unusually light passenger list this trip.

Three days' mail, consisting of 128 sacks, was brought on the Alameda. There is 1050 tons of general cargo on board.

ON CRICKET FIELD

The second day's cricket match will be played on Makiki grounds tomorrow at 2 p. m. sharp. Players are requested to be on the grounds at 1:45 p. m.

The scores of the first day's play ended Honolulu 200, Restorer 50. The teams will be as follows:

Restorer—Captain Combs, J. Hall, E. W. Barron, A. J. Clunie, O. C. Read, J. A. Broadfoot, C. Rowell, D. Evans, A. A. Catton, Mr. Tullinson (captain).

What Others Say --- Drink More.

"The use of carbonated beverages or waters as an addition to wine or alcoholic liquors is highly commendable, as they greatly mitigate, or wholly obviate the retarding influence of such liquors on the digestion of starch."—Dr. I. Burney Yee, in Popular Science Monthly. Prof. Charles F. Chandler, chemist to the N. Y. Board of Health; Dr. Julius, Professor of Analytical Chemistry in the American Institute, and many others all speak in the highest terms of the beneficial effects of "SODA WATER" upon the system.
